## About Us

**Tel: 562-946-6671**

*Electronic Chrome and Grinding Inc., was founded in 1945 with a view to provide quality hard chrome plating and ID-OD-Centerless grinding services in one location to help clients from having to work with multiple vendors. The management of Electronic Chrome and Grinding pride themselves in being fully accountable for taking the order, processing it and delivering in on time.*

*All our solutions are fully custom to your requirements using the equipment and experience rarely available elsewhere in the marketplace.*

# Electronic Chrome and Grinding
